“Sunstroke” Golf Tournament

It is once again time to invite your friends, clients and customers to sign up for the Annual IES Sunstroke Tournament. We only have room for 36 foursomes, so don't delay.

Join us Friday, April 28th 2006 for a day of fun in the sun at Vistal Golf Club in Phoenix.

Vistal was designed in consultation with PGA TOUR players Tom Lehman, Billy Mayfair and Howard Twitty, and offers a spectacular view over downtown Phoenix.

Vistal requires that we comply with the club **dress code** of collared shirts and tailored shorts. Soft spikes preferred.

Details

Our four-person scramble will begin with a shotgun start at 7:30am. Don't miss the many chances at winning new golf equipment, green fees, apparel, gift certificates, and other exciting prizes to be awarded to contest hole and raffle winners at the BBQ lunch following our tournament.
