

Outdoor Lighting Tour of Central Park East and ASU Taylor Place

Join the Phoenix Section of the Illumination Engineering Society for a networking social hour at the new Westin Hotel in Downtown Phoenix and help us welcome the new board members. This will be our last event of the spring season and there is no cost to attend. We will gather on the outdoor patio of the Province restaurant for drinks and conversation from 6:00pm until 7:00pm. After that, Brett Lorenzen will host a walking tour of the exterior of the Central Park East building to discuss the lighting design that garnered an IES Award of Merit in 2010. Next, we will walk over to the ASU Taylor Place student housing facility where representatives from SmithGroup will discuss this lighting design which was also a recipient of an IES Award of Merit in 2010. After the tours, everyone is free to head back to the Westin or to enjoy the First Friday events that are taking place in Downtown Phoenix.

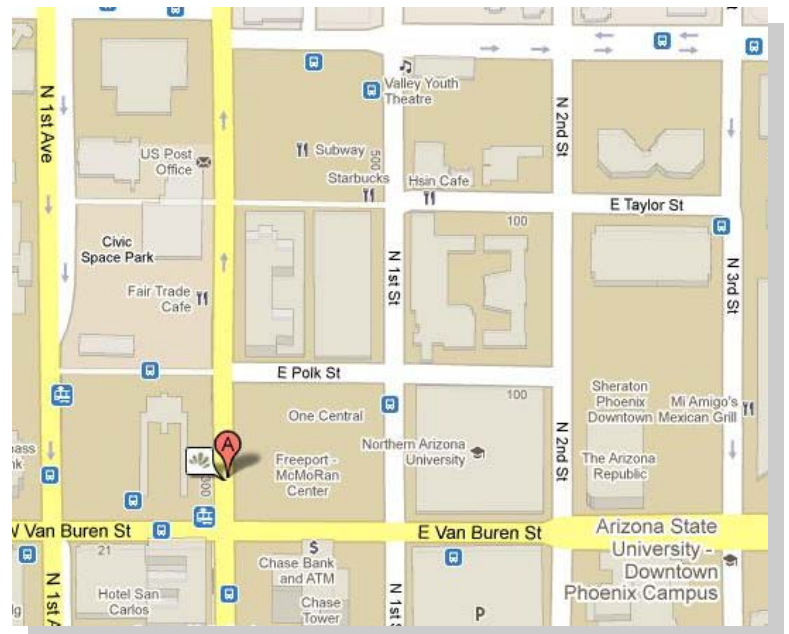

Local Lighting Design Award Recipients Guided Tour
