Dear Mark,

As a reminder to all, don't miss our upcoming event! It promises to be extremely informative.

Please join us for lunch, next Thursday October 6, at the Old Spaghetti Factory in downtown Phoenix. We'll be hearing from representatives from both APS and SRP regarding the details of their commercial rebate programs.

From APS we'll have Kim Anderson, an energy efficiency expert with over 10 years experience in the field. APS's program has resulted in over \$435M in customer savings since the program's inception in 2006.

From SRP we'll have Bob Ferraro, also with over 10 experience in the lighting industry. Bob is with Nexant, the administrators for SRP's program which has approximately \$10M available as financial incentives for energy efficient projects in 2012.

Come join us and learn how to maximize the value you provide to your customers.
